Duck Trail

To Boldly go . . .
To Duckfinity and Beyond.

The annual Wrea Green Duck Trail has become a much-loved fixture in the village events calendar. Every year, hundreds of people follow the trail, clutching their duck-trail maps and choosing their favourites. Taking place over the week-end of the Horticultural Show and the Beer Festival, this year's trail is on Saturday and Sunday the 6th and 7th September.

This year's theme is Sci-Fi. We'd like you to create a display that shows ducks in a fictional scientific or technological situation. It could be space-travel; time-travel; science gone horribly wrong, (think Frankenstein's Monster, Jurassic Park, Dr Jekyll and Mr Hyde), or it could be a sci-fi theme all of your own imagination.

It doesn't have to be a major installation, just funny or clever. Your duck-display is placed in front of your house or business so that it is visible. You'll be on the map – and there are prizes!

We hope that lots of you will take part, especially if you are new to the village or have not taken part before. Take a look at last year's Duck Trail Video on the Wrea Green Show Face Book page.

If you would like to take part this year, please register your name and address with Edwina at edwinamaskell@btinternet.com or text 07584208919 before 1st September.

Our thanks go to Roland L. Whitehead, Daughter and Granddaughters who are once again sponsoring the Duck Trail and the coveted Duck Trail Trophy.

Beer Festival

We have great pleasure in giving you details about how you can get involved with the 2025 Wrea Green Show. As usual, we have made a few alterations to the Schedule but hope that there is something there for everyone and that you will be tempted to enter one or more of the classes.

The Show weekend will follow a similar pattern to previous years with the Beer Festival in the Institute function room running from Friday 5th September through to Sunday 7th with a choice of 25 real ales, craft lagers and cider. Thanks go to Wareing Buildings for their support with the souvenir pint glasses.

The Duck Trail will again take place on the Saturday and Sunday with this year's theme being 'Sci-Fi Ducks'. See the Duck Trail page in this leaflet for details on how to enter. We are, as ever, grateful to Roland L. Whitehead, Daughter and Granddaughters for kindly sponsoring the Duck Trail.

On the Sunday afternoon, we will be hosting a Family Afternoon with live music. Food will also be available to buy. Keep an eye on our social media pages for updates about this event and all other Show news. This year will be our 10th Show and the weekend has grown to become firmly established as a hugely popular community event. Thanks go to everyone who has enabled us to reach this milestone from sponsors and advertisers to all the entrants and those who come along to have a look. Let's hope that the weather is kind to us and we have a bumper number of entries to mark our 10th anniversary. We look forward to seeing you all in September.
