## Duck Trail

This has now become an established part of Show weekend with hundreds of people following the trail around the village in 2020 to admire the creativity and duck-tastic ingenuity of the displays.

Last year's Duck Trail had a 'key worker' theme and the winning entry came from 12 Manor Road with 'Ducky Vets'. There will be no theme for 2021, giving you free range to create a truly unique duck related display. Ruth and Anna Bretherton will again be organising this event and would like you to email them at [james@agscope.co.uk](mailto:james@agscope.co.uk) or phone 01772 685677 to register your interest in taking part by as soon as possible.

Duck Trail maps will be available from the Marquee on 4th September and voting will be as previously with everyone who does the trail being asked to give marks for each display. The winner will be the display with the highest number of marks.

## Sponsorship

## Spring Gardens

We are publishing our Spring Leaflet in the hope that the 2021 Village Show weekend will be able to go ahead as planned. Fingers crossed. There are only a few 'tweaks' to this year's schedule as many of the classes could not be staged in 2020. A massive thank you goes to all of you who took the time and trouble to enter last year's Virtual Show. It was great to see so many entries. Results and highlights are still available to view on the website as are all the displays on The Duck Trail. This creates an enormous amount of interest and we are very grateful to everyone who took part to honour our key workers. Anna and Ruth put a considerable amount of work into organising the Trail and would appreciate an early indication of interest if you would like to have a display this year. Sadly, we were unable to hold the Beer Festival in 2020 but are planning ahead in the hope that we will be given the green light this year. Many thanks for your support and we look forward to hopefully seeing you at The Institute in September.

Last Summer, many of you shared photographs of your beautiful gardens in our 2020 Virtual Open Gardens Exhibition, displayed on our Facebook page. Now get ready to photograph and share your Spring Gardens!

As soon as your garden begins to put on its Spring display, take a series of photographs until it reaches its full spring glory. Then please send your six favourite photographs to:  
[info@wreagreenshow.co.uk](mailto:info@wreagreenshow.co.uk) or via Wrea Green Show Facebook Messenger by Friday 14th May. We will then collate all the gardens in separate albums for everyone to enjoy on the Wrea Green Show Facebook Page on Sunday 16th May.

## Craft Stalls

We have a limited amount of space in the Institute car park for villagers to bring along their crafts to sell. If you would like to have a stall this year, please contact the Secretary or any committee member to check availability. You will need to provide everything that you require for your stall and display. There is no charge, but contributions to Show funds are always welcome.
