Duck Trail

This has now become an established part of Show weekend with hundreds of people following the trail around the village in 2019 to admire the creativity and duck-tastic ingenuity of the displays.

Last year's Duck Trail had a film theme and the winning entry came from 3 Ribby Road with 'Ducky Potter'. There will be no theme for 2020, giving you free range to create a truly unique duck related display.

Ruth and Anna Bretherton will again be organising this event and would like you to email them at james@agscope.co.uk or phone 01772 685677 to register your intention to take part by **Friday 28th August**.

Duck Trail maps will be available from the Marquee on 5th September and voting will be as last year with everyone who does the trail being asked to give marks for each display. The winner will be the display with the highest number of marks.

SHOW 2020

Saturday 5th September
at Wrea Green Institute

Beer Festival (4th-6th September)
Duck Trail (5th and 6th September)
Teddy Bears' Picnic (6th September)

Sponsorship

As in previous years, we are looking for Cask Sponsors to support the Beer Festival, which will take place on Friday 4th, Saturday 5th and Sunday 6th September.

There will be 25 different real ales with each one available for sponsorship at a cost of £50.

In return for your support you will receive:

- Your name on the hand pump plinth
- Your name next to your chosen cask on the tasting notes
- Your name on the Beer Festival page of the Show website.

To sponsor a cask please contact Christine Clarke at The Institute or any Show committee member. Alternatively, you can send us a message via our Facebook page or email info@wreagreenshow.co.uk

Open Gardens

We are looking into the possibility of organising a Wrea Green Open Gardens event on Sunday 12th July which would give keen gardeners the opportunity to showcase their skills. So far we have had interest from four villagers but need to have at least ten gardens on the list to enable us to go ahead. We will oversee the event and organise the required insurance. Gardens of all sizes and shapes are most welcome to take part. Please contact Edwina Maskell on 01772 683889 or email her at edwinamaskell@btinternet.com to register your interest or obtain further details.

The weather was, once again, kind to us for last year's Show and we were rewarded with a record number of over 500 entries and an increase in the number of people visiting the marquee. Thanks go to everyone who made it such an enjoyable and successful weekend.

We have made a few tweaks to the schedule for the 2020 Show, especially to the organisation of the Children's Classes, and hope that even more of you will be inspired to take part.

There will also be major changes to the Show Brochure, which will be delivered around the village in early August together with an entry form. The new format will enable us to include far more information about the Show, the Beer Festival, the Teddy Bears' Picnic and the Duck Trail.

The support that we have received from the village for previous Shows has been fantastic and we look forward to seeing you all over the first weekend in September for what should be another memorable event.

Craft Stalls

We have a limited amount of space in the Institute car park for villagers to bring along their crafts to sell. If you would like to have a stall this year, please contact the Secretary or any committee member to check availability. You will need to provide everything that you require for your stall and display. There is no charge, but contributions to Show funds are always welcome.
