## Duck Trail

Once upon a time, long, long ago, in a land far away there was a Village Duck Trail. People came from far and wide, uphill and down dale, through deep dark forests and magical lands to view the wonderful displays the villagers had made. This year's Duck Trail theme is Fairy Tales and Folk Tales. Saturday 5th and Sunday 6th September.

It doesn't have to be a major installation, just funny or clever. Your duck-display is placed in front of your house or business so that it is visible. You'll be on the map – and ..... there are prizes!

We hope that lots of you will take part, especially if you are new to the village or have not taken part before. Take a look at last year's Duck Trail Video on the Wrea Green Show Face Book page.

If you would like to take part this year, please register your name and address with Edwina at [edwinamaskell@btinternet.com](mailto:edwinamaskell@btinternet.com) or text 07584208919 before 1st September.

For more details or ideas, go to [www.wreagreenshow.co.uk](http://www.wreagreenshow.co.uk), or contact Edwina directly.

Our thanks go to Roland L. Whitehead, Daughter and Granddaughters who are once again sponsoring the Duck Trail and the coveted Duck Trail Trophy.

# SHOW 2026

Saturday 5th September  
at Wrea Green Institute

Beer Festival (4th - 6th September)  
Duck Trail (5th and 6th September)  
Family Afternoon (6th September)

## 2026 Show

The Show committee take great pleasure in announcing the 2026 Wrea Green Show.

As always, we have made a few improvements to the Show class schedule to keep it current and ensure there is something for all ages and abilities. We hope that you will be tempted to enter one or more of the classes.

The Show weekend will follow a similar pattern to previous years with the Beer Festival in Wrea Green Institute function room running from 4pm on Friday 4th September to Sunday 6th with a choice of 25 real ales, craft lagers and cider.

The ever popular Duck Trail will take place on Saturday and Sunday. Full details of this year's theme and how to enter can be found elsewhere in this leaflet. We would like as many houses and businesses as possible to take part by creating an 'enchanted' display.

On Sunday 6th, we will be hosting a Family Afternoon with live music in the Show marquee within the Institute car park. Food will also be available to buy. Keep an eye on our social media pages for updates about this event and all other Show news.

Show weekend has grown to become a firmly established and hugely popular community event. Thanks go to everyone who has enabled us to reach our 11th Show, from sponsors and advertisers to all the entrants and those who come along to have a look round. We look forward to seeing you all in September.
